

LIVING BY WATER

By: Ellie Armstrong

Aqua Aviators make the cliché “fish-out-of-water” phrase a reality. After hours of practice and dedication to their niche sport, the boy’s team made the season their own. At State Championships, the team earned 2nd in state.

Robert Wise, 11, said, “I look most forward to home games. We get such a great fan turnout and the whole atmosphere is so fun and energetic. I love that feeling of being a part of something bigger than yourself and that you need to support one another to succeed.”

“I look forward to the sunlight shoot out at Coney Island since it’s all outdoors in around 80 degree weather. My favorite game of this year was the home game against mason since we beat them 13-2,” said **Ethan Gause, 10**.

Seniors Jason Merkel and Maxwell Deihl received both the All-Ohio 1st team and All-Ohio State Tournament Team. **Peirce Ellingson, 12**, was awarded an All-Ohio 2nd Team distinction and **Ethan Gause, 11**, received an All-Ohio Honorable Mention.
