

"Coach has this slogan that's really good: positive attitude, positive play, and one more ball."

-Keira Millerchip, 9

GOLDEN TEAM

By: Helen Sotropa

Every season introduces new teammates, but the Varsity Green team takes this challenge as an opportunity to bring the team closer together.

To get to know each other better, the team hosts the traditional team sleepover at the beginning of the season. **Marilene Van Den Berg, 10**, said, "Even though we all knew each other, we hadn't been on the same team. We had a team sleep over, went out to dinner, and hung out with each other, which is

something I always look forward to in the season."

Another Varsity Green tradition carried on is Fun Fridays where for practices on Fridays, the team chooses a theme to dress too. In the past, themes included tie dye, college, and monochrome. **Senior Samantha Fernandez** said, "Dressing altogether adds to the teams togetherness and unity. It's satisfying to see us all dressing the same - it's almost like a second uniform."
