

# TEAM IS EVERYTHING

“

This year we had a strong group that made for a fun season.

We had an intense season with a lot of great matches, we had an out of town tournament in Defiance, Ohio. Also, Jake Vayo-Smith made it to the state tournament but sadly didn't end up placing. This seasons memorial match was definitely beating Moeller for the first time in a very, very long time. Another significant match was against LaSalle in the next round at state duels.
