

DIVING TEAM

Coach Jack Phipps led **Senior Taylor Miller, Junior Cecilia Marchetti, Sophomores Isabelle Kinsinger, Anelise Kim, and Paige Ellingson, and Freshman Gabriella Pickens** to a season of greatness. Kim received a Second Team Distinction, Pickens received a Third Team Distinction, and Kinsinger received an Honorable Mention.

Miller said, "I'm really proud of my teammates for getting the distinctions at the GMC. Our hard work in and out of the pool really payed off."

"We learn true mental toughness, it can either be your strongest tool or your biggest enemy. It can break the best athlete. If you go into a race thinking omg I can't do this, your results will show that. So go into every race with a positive, uplifting energy."
