

ALL PINS = ALL GRINS

Knocking them down, one pin at a time. **Paige Weitz, 12**, has carried this mindset with her through her years of bowling. Paige leads the team as Captain, instilling a high standard of diligence coupled with encouragement.

“As a senior this year, I was held accountable for ensuring the team performs at their best ability. At times, I was very stressed, but I knew that in order for my team to grow, I needed to step up. I was so happy to spend my last year with two of my best friends, while

having fun.

Districts and States were both special competitions for my teammates and I. I am grateful for the memories I have made, and the friendships that were created and strengthened.”
