Both the boy JV and Freshman baseball teams put in tremendous effort this season. As a whole, both squads ended their seasons with lots of improvement and lots of fun.

**Adam Kling, 10**, said, "I started the year off having my second shoulder surgery, so it was a long road back to be playing baseball, but we have a great organization here with players and coaches who are supportive.

The season has not turned out the way we wanted it to in some ways, but we always fight back and everyone has

shown improvement and hope for the future."

"Being on the baseball team has been an awesome experience. I have been able to become friends with some upper classman and they have taught me some awesome stuff.

Also, being on the baseball team has taught me a lot about sportsmanship and how to be a better teammate. The hard work and time that our team has put in has really payed off this season as we have improved a ton," said **Noah Pelberg, 10**.
