

GOT TO RUN

By: Alyssa Jones

This season, the boys squad was younger than usual, which made the team have to work just that much harder to improve. Each day, the young team came to practice ready to put in hard days work. The work ethic showed as the team continued to improve and win various events at their meets.

Coach Hank Ray said, "The team was very young with only a handful of returners from the previous season. We

competed well, finishing second in five out of the eight meets we participate in. This year the team was lead by **Seniors Peter Folz and Max Lyendecker.**"

"The Clash of the Titans meet was my favorite meet because it's one of the biggest meets and we usually win. For me, we have only lost one of my four Clash of the Titans meets" **Senior Marion Pritchett.**

1. Marion Pritchett, 12, leads the hurdles race, even in the rain.

2. Rounding the corner, Lucas Pletz, 11, finishes the relay strong.
