

READY, SET, SPIKE!

The men's volleyball team had a lot of success this year on the court. They finished with a record of 11-7. A lot of great memories were made throughout the season. One memory that stuck out to the team was being at an all-day tournament at Fenwick.

They had already lost a few heartbreaking games earlier in the day. They persisted and came together to end up winning the bottom bracket. Memories like these will always remain even though they had a rough start to the day, they made the most of it.

1. Lucas Piero Aguilera, 12, Taylor Collins, 12, and David Zheng, 12, high fiving and sharing a laugh after a play.
2. Logan Scott, 11, jumping to get the ball over the net.
3. Wesley Vue, 10, and Jacob Peri, 10.
