Adam -

We are so proud of you!! It has been a pleasure to watch you grow into a talented and insightful adult. You are observant and witty, but remain thoughtful and kind. Although your high-school and camp experiences, teachers, and parents input have played a part in your success, you should feel proud that your success is due to your motivation to mature and succeed.

Congratulations!! We can't wait to see what you do next!!

Love

Mom, Dad, Michael and  
Daniel
