

Nathalie Bonin

Ever since you arrived in this world, you have brought us joy & happiness (we waited for you for so long)! You are everything that a parent wants: a perfect & beautiful girl/young woman, a lovely daughter & an excellent student, a caring, respectful & compassionate human being who thinks about others & always tries to help them.

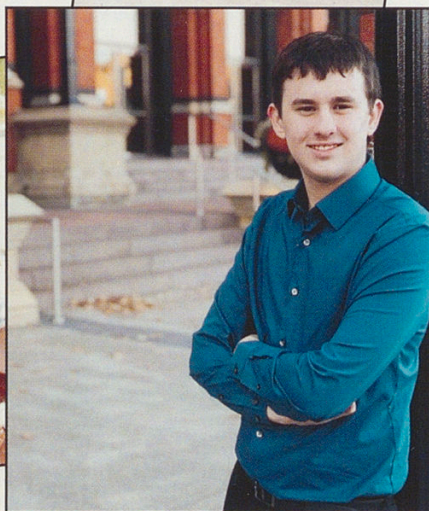

CONGRATULATION NATHALIE!

We are so proud of you; we wish you to become what you want to be: a doctor (PhD) that will find THE cure to cancer. Good luck, we believe in you, we always did!
