

# —STAFF NOTE—

To the readers, there's a few things you need to know about the 2019 Log Yearbook. This book was brainstormed, researched, and created by the hardworking Log Yearbook Staff throughout the 2018-2019 school year. While we worked tirelessly, it is not perfect, and there will be mistakes. We apologize for any missed mistake. Additionally, due to coverage of graduation, which was May 19th, 2019, we work until the very end of the school year. Therefore, this is why these books were sent out in August 2019.

There are many people to thank for the making of this book. First, to the each other on the staff, we all have the best wishes and hopes for our futures. We believe wholeheartedly in our creative talents and spirit of strong will. All seven of us seniors will always think fondly on our times in Room 115 dancing to 70s playlists to making grilled cheese sandwiches with artisanal bread to eating salads out of mason jars. Next year we will have no returning members, and our staff want to say how excited and bitter sweet it will be to pass of the books to the next generation. To the next yearbook staff, you got this! Next we want to thank Mrs. Frost for her help on the yearbook and endless support.

Very special thanks to our school photographer, Jeremy McDaniel, for covering school events and sports, and providing us with photos to use alongside our own. Ever the prolific presence and supportive addition to the team, Mr. Brian Fessler! We thank you profusely for fielding our endless stream of questions and guiding the creative minds of our team.

Sycamore High School, we thank you. All the quotes, pictures, and tweets gave us the true spice of the story. Each page could not be complete without your support and enthusiasm for the yearbook.

In the end, keep living gold!

Best wishes,

Your 2019 Yearbook Staff
