

Blasting from past, soaring into future Homecoming Spirit

By: Margaret Crutcher and Shelli Coppoolse

Students roll into the Pep Rally in style. Kyle Battle, 12, and Brandon Battle, 12, were the MCs for the Homecoming festivities. They got the crowd pumped and ready for the big game.

Jo King, 10, waits for the music to start. King, along with other dancers, really knew how to hype up the crowd with his moves. Their dances usually consisted of hip hop, crumping, and break dancing.
