

## FIRST DAY JITTERS

This school year started with Freshman Camp, which looked a little bit more normal. Able to have all the freshmen together doing activities, it was a fun-filled day. With games and a pep rally, the freshmen ended the day by going to all of their classes. Intended to help students new to the high school, this year's camp included the freshmen, but also any sophomores who had attended classes virtually last year, and any new students. More than just new faces, the construction made it tricky to give the freshmen a tour, with many

of the older students feeling like they were also new to the building!

**Counselors share their favorite part of the day:**

**"Family time or Amazing Race"-Bishop Carl, 12**

**"Tour, it's fun to show the Freshman around" -Julia Mott, 12**
