

## FLOATING BY

Another classic Homecoming tradition was the parade! With a new route set to end at the High School Stadium, where the football game was held, students rode, walked, danced, and marched their way to the end.

Cheered on by the community, the new route wound through the neighborhood behind the High School. "[On the DECA float, we got] to hype up our homecoming king, Mr. Steedly," said **Mya Reardon, 11**.

Lots of Sycamore sports, clubs, and organizations were featured in the parade. Pictured above is **Kai Blunt, 12**, and **Maz Crouch, 12**, riding on a float for the GSTA, or Gay Straight Trans Alliance. So much fun for all!
