The marching band showcased their newly created pregame routine as well as their show during Strike Up the Band for Hunger. This performance is put on for the community to enjoy every year, and admissions are only two non-perishable food items which get donated to Operation Give Back. Their pregame show now included new drill in the shape of a plane as well as fire extinguishers for the plane's exhaust.

DOUBLE DUTY

Jade Blevins, 10, is one of many student who love to do a bunch of different activities. She is a part of the JV Cheerleading team as well as a dedicated member of the marching band. Even though it's difficult at times to balance both of these time-consuming activities, she "love[s] being busy and the relationships [she's] made with the people make it so worth the struggles," Blevins said.

"She's got more spirit in her little finger than the rest of us combined"
