This past season, 2021, the marching band's show was called The City Lights. It was not actually a new show, because the year before they learned the first part of it. They never finished the show that year because of COVID-19, so it was exciting for everyone to have a finished show this time. In addition, they were able to attend a few competitions, including one at Ohio State University, which was a great change from 2020. Their show, The City Lights used music from the classic "Rhapsody in Blue" as well as "Blinding Lights" by The Weeknd. They also featured many soloists in their show, including **Minjee Kim, 10**, **Sean Cooper, 12**, **Vincent Oliver, 11**, **Elliana Jobe, 11**, **Wesley Dentinger, 10**, and **Aaron Matson, 12**.
