

The JV girls soccer team all tell their own story to share, everyone has something unique that inspired them. Even though, soccer season for the JV girls has ended they still work hard to achieve their goals, and go past their limits. In every picture you see you see the sign of resilience in each player. They each work hard and help each other out with moves they cannot compete with. **Nina Friedman, 9**, says that she wants to improve on gaining more distance on her goal kicks, punts, and other forms of distribution. Soccer is a sport where each player learns a new skill from their teammates. **Mimi Goldstein, 9**, says that she had improved playing with speed and she wanted to improve on fast skill with both feet. Both of these soccer players show that they improved and are learning new moves as well.

This is their story.
