## **PATRICK THOMPSON, 12**

*What kind of music do you guys listen to before you compete?*

"If we listen to music we mostly listen to rap and rock, family ties by Kendrick and Baby Keem. Played a lot when it came out."

## **ALBERT MUHLEMAN, 12**

*How do you feel about this season?*

"This season was somewhat of a rebuild for the program. We had 9 of 12 players as freshman. The team will only get better."
