

## concert ready

Concert band also had their winter concert this December. This was their first concert since before the COVID-19 pandemic hit in 2020.

“It was great to be able to play in front of people again”  
- **Josiah Jobe, 12**

## WINTER BREAK

Over winter break, **Maya Sethuraman, 12**, traveled to Mexico City with her parents. She found it pretty cool because “there’s actually...a lot of history” there, Sethuraman said. This was her first time traveling internationally since 2020 when the COVID-19 pandemic hit. Though it was definitely a risk, “people there were...cautious...like masks [were] mandated in every place from 7/11 to the museum,” Sethuraman said.

“I got to practice my Spanish. It was really cool to...immerse myself in a different culture and learn about some of their traditions.”
