

LVI

The Cincinnati Bengals football team made it to the LVI Super Bowl and played against the Los Angeles Rams! The whole city was beaming with pride for this achievement as the last time the Bengals played in the Super Bowl was 1989. Even though they lost 23 - 20, the Bengals put up a valiant fight until the end of the game.

WHO DEY

Many schools took Monday, February 14th, off as it was the day after the Super Bowl. Sycamore, instead of just calling the day off, decided to make a district-wide challenge. Superintendent Chad Lewis created the #WhoDeyChallenge, promising the day off if students raised as least \$8,822 for OGB and Sycamore Bridges. The community exceeded the challenge and raised over \$20,000, helping their community as well as getting the day off.
