

# who's that?

Oh, how proud the whole school is of this amazing group of boys! They fought hard and played their best, setting a record for most wins in a season with their 20 victories. GMC champs for the

first time since 2013, playing in the First District finals and earning the First Sectional title for the first time since 2004.

"Our goal is to win a GMC championship and state title, I really want to see our class on the basketball banner," said **Charlie Hall, 11**. Wanting to put a title up on the banner, the team did just that. They put all their hard work and dedication not only to this sport but this season in general. The environment was really good they are way closer as a team and play for each other on the court. They have team dinners before every game to relax, hangout, and talk about the team they are playing. The Ave Cave was at every game, home or away, to cheer on our boys! They came to cheer as loud as they can. The Ave Cave was so excited to finally be able to cheer on our ayes and that also helped the boys out a lot!
