What challenges did you overcome this basketball season?

"When it was close at the end of games I knew that I had to push through whatever pain I was feeling in the game, playing physical the whole game."

Giovoni Garrett, 10

What are some things the team did to make you comfortable as a freshman?

"When I messed up they would tell me what I messed up on and what I should have done. They always made sure I had a drive."

Tariq Kimbrough, 9
