

making a splash

For the last time, the boy's swim team practiced and competed and made so many lasting memories in their home pool that has been here since the 1970s.

At the conclusion of the winter season, the pool started to undergo major renovations as a part of Sycamore's Master Facility Plan.

The team swam very well this season. They placed second in the GMC, as well as qualified five swimmers and one diver for state, placing ninth in all of Ohio. More than just that though, so many of the swimmers improved and new personal records. "I think the team exceeded expectations," said **Evan Preissler, 9.**
