

### SYCAMORE AT STATE:

Track is an individual sport. You know your events and you have to perform well. At the Indoor State Championship in March, our state qualifiers finished the winter season coming in tenth for the 4x200 and 3rd for the 4x800. **Lauren Ann Barnes, 12**, placed first in the high jumping event and **Rashid Harris, 12**, came in ninth in the 60 meter dash.

But they are all a team at the end of the day. In the words of state qualifier **Solomon Lumb, 12**, "we are a team with the experience and dedication to win." Be on the look-out for your Sycamore track team: You will see them back at state.
