

we got SPIRIT

The Varsity Winter Cheer team and how they pep up players, and their new uniforms.

The Varsity Winter Cheer team is a staple to our Varsity Basketball games. They hype up our incredible student section, and boost the players. Their fun cheers, like "Do It," "We Got Spirit," and "Banana" make the games interactive for the crowd, and keep spirits high. The girls on the team work hard, by practicing in and out of school. This year, the girls got new uniforms by raising their own money. A raffle basket and sponsors from various Cincinnati restaurants helped fund the latest upgrade. One thing is for sure, the basketball games would never be the same without the cheer team.
