**Sophomore Tanvi Mayya** is the lone gymnast on the gymnastics team at SHS. This is her second year on the team, but she has been a gymnast for quite some time. "I started gymnastics when I was 7... I saw my mom's friend's daughter doing it and I thought it looked cool," Mayya said. "Gymnastics has taught me so much about commitment, discipline, and passion... plus, now I know how to do flips!" This year, Mayya represented Sycamore in the state competition for beam.
