

DID YOU KNOW?

Lacrosse is often called “the fastest game on two feet” due to how quickly the ball moves around the field.

- athleteintelligence.com

The original Lacrosse ball was wrapped in deer-hide. Currently, the balls are usually made of rubber.

- ncva.com

It was included in the 1904 and 1908 Summer Olympics, before being removed. Efforts continue to reinstate it.

- sportsdestinations.com

It is thought to be the oldest sport in North America, played by the Cherokee, Iroquois, and Onondaga nations in the 1500s.
