

signing off

Senior Bella Delgado talks about what Signing Day meant to her.

What emotions were you feeling during the signing?

"I was super nervous to speak in front of everyone, especially because in my head I think a lot of people don't expect me to be a successful athlete from the outside - so I wanted to kinda prove that that day. Other than that, it was super bittersweet! I am super sad to leave highschool track behind, but I am so thankful that I made it to where I am now."

How much does it mean to you that all your hard work has paid off?

"It truly means the world. There have been so many ups and downs and doubts I have made myself believe (and still do sometimes) but I am so proud of myself for making it and knowing every time I was given the opportunity I tried my hardest, especially because this has been my goal all of highschool."
