CY & DAR KHODADAD

Cy and Dar, we remember getting the news from the doctor that we were having twins. Though we never anticipated having twins, we couldn't imagine life without both of you. While you definitely look alike, your personalities are completely unique. Maintain your individualities to become your own person, but know that you have someone who will help you conquer the world. We are so proud of the respectful, kind, smart, and honest young men that each of you have become. We love you very much & are very proud of you both!!

Love, Mom, Dad & family
