Live with urgent zest. Don't put on another's skin,
least of all mine, cause yours'll get stained. The
task of youth is to realize its tragicomic evanes-
cence; of life to ever become. We love you pro-
foundly, for who you are, for who you will be, for you
are.

- Your only brro, mom and dad.

JACK MCCONNELL

Jack-this is just the beginning of your future! We
love you so much and are so proud of you!!

Mom and Dad

ANELISE KIM

As dad always says, we hit the
jackpot when you became our
daughter! We are incredibly proud
of all your many achievements but
more so of the caring, bright, resil-
ient, brave, energetic, and sunny
person that you have always been.
Remember that we are always here
for you no matter what, so get out
there and conquer the world - in
your own signature Lisee way!

Love always,
Mom, Dad, Tristan and Jonah
