

# FIRSTS AND LASTS

The youngest and the oldest Sycamore High School students share their perspectives on the homecoming dance.

**CHANA HOREWITZ, 9:** "My first homecoming was great. It was even better than I thought it would be. I had an amazing time hanging out with all of my friends at the dance. I don't think there is anything that I would want to do differently in the future."

**OLLIE PLETZ, 9:** "My first homecoming was spectacular. It was very fun. Something that I would do differently in upcoming years is dance more, and be more involved."

**DELANEY GREVE, 12:** "This homecoming was probably my favorite. Since we did not have a homecoming my sophomore year and were interrupted by the rain last year, I think we definitely made the most of it this time. My favorite part was dancing with my friends."

**HAYDEN CHOICE, 12:** "This homecoming was fun and I had a blast dancing with all of my friends. It was definitely less cold and rainy than the last, which was nice. My favorite part was seeing and taking pictures with friends."
