

"The best part of the day was planning our 'Queen's Death' performance for the parade, being able to hangout with my friends the entire day messing around and having fun in such a unique way is something I'll never forget."

Scott Wolter, 12

"My favorite costume that I saw was the queen and her guards. I liked it because it was unique and the most entertaining. If I could do senior halloween again, my friends and I would be White Chicks."

Ananiese Burks-Maye, 12
