

a variety of talents

The Sycamore Variety show provides a night of entertainment for it's audience.

The incredible talent at Sycamore High School was put on full display during this year's Variety Show. From soloists to acapella groups, the various performances blew away the audience. "It was fun to perform with my class as well as performing a duet with one of my close friends, and both songs were from 'Rent.' I love being on stage, whether it's singing with a group or by myself," says **Maria Shomo, 12.**

tickle me pinktober

Sycamore Students raise awareness for Breast Cancer throughout October.

Pink—a color associated with comfort, healing, hope, and courage—is a symbol for breast cancer awareness. During the month of October, many sports honor survivors, those fighting, and those we lost due to the disease. The cheerleaders lead the Ave Cave with pink pom-poms, and the football players wear high pink socks with their uniform. Our volleyball team hosted their annual Volley for the Cure and raised money for the Susan G. Komen foundation with each girl playing for someone affected by breast cancer.
