

strings and things

The Orchestra had a successful concert with beautiful music.

"I have really enjoyed being in Orchestra the past few years. Not only does it give me a break before my hard classes, but it has also allowed me to branch out and meet new people."

Calista France, 11

gourds galore

Outside of the classroom, friends get together to participate in this fun fall activity!

"I really like being able to do an activity with a group of friends that's just kind of like a little more messy and unconventional. And it's just a really great way to spend some time outside in the fall doing an aesthetic little activity that gets you in the mood."

Regan Boord, 12
