

# night of **honor**

The National Honor Society held it's annual Induction Ceremony for new members.

"The ceremony was so impactful for me and all other inductees as it gave recognition to deserving role models of the Sycamore Community."

**Miles Pishotti, 11**

## THE FAB FIVE

The five NHS officers create a wonderful ceremony for the 2022 Inductees.

While the NHS Induction Ceremony is a very important night for inductees, the event wouldn't have been so special without the five officers. These five girls show incredible leadership, intelligence, strength, and naturally, a great bond. "I've gotten to know all the officers so much better this year as we spent a lot of time planning the ceremony, and I am so proud of us for successfully planning this event!" says **Lindsay Ruskin, 12**.

## A FESTIVE FRIENDSGIVING

A group of friends come together for a lunchtime Thanksgiving celebration.

As Thanksgiving Break rolled around, this senior group of boys decided to celebrate early with their own Thanksgiving feast within the Commons! Complete with homemade dishes such as pie, mashed potatoes, and even a whole turkey, they set the table with fancy tablecloth and fresh rolled silverware while also dressed in their best attire. "Pies really symbolize our friendship at this lunch table. That's why I made them!" says **Patrick Dauenhauer, 12**.
