

let's get **fired** up!

cheerleading

The Sycamore Aves Varsity Cheerleading team is fired up this year, and their spirit is bigger than ever! When the Ave Cave's spirit is down, the cheerleaders turn it up a notch and get everyone hyped up while students watch the football games in the stands. "When the spirit gets down we love to call the do it cheer to interact with everyone in the stands," says **Emery Hines, 10**. "We love calling out cheers that deal with the crowd like the banana cheer as well. It's fun to interact with everyone while keeping the spirit up." Thanks to the cheer team's enthusiasm and presence at the games, the football team and Aviators are always fired up.
