

HALF TIME CONCESSIONS:

Madelyn Bobst, 12 shows off her love for soft pretzels that give her the fuel she needs for the second half!

LITTLE AVES NIGHT

SHS hosts "Little Aves Night" with special guests.

For the first time since the pandemic, the Aves Cheerleaders host a "Little Aves Night." The high schoolers teach cheerleaders in grades kindergarten through sixth different cheers, routines, and how to have fun, spirited smiles. The little girls came and cheered with the Lady Aves throughout the first half of the homecoming game. "They are the cutest little girls, and they have the most spirit I've ever seen! It was a very cool full circle moment since I was a Little Ave with my sister when she did cheer. It really feels so amazing to take on that leadership role," says **Tessa Wittenbaum, 12**.
