GETTING HYPE

The Lady Aves Varsity Soccer team has a bond like no other. Through hot practices and rained out games, nothing can dampen this team's spirit! This year, the girls have amazing chemistry; something that is an extremely important component to having a successful season. "We have a great team dynamic... which makes it enjoyable to come to practice every day," says **Nicole Payton, 12**. This year's unity of the Lady Aves not only makes the games more fun, but it also gets the team pumped up. Payton has been a part of Lady Aves soccer for four years, and from her experience, this year's team wins the title of most spirited. "We get really excited before games, I think because we all like being around each other," she recounts, "so we're excited to play and eager to win."

LILA GWYN, 09

Lila Gwyn is one of three freshman on varsity this year. Along with **Emily Ploscowe, 09** and **Claire Piehler, 09**, these girls stepped up and worked hard for their spots. Here are some of Lila's answers when asked about the team.

Q: If you could describe this season in three words, what would they be?

A: "Joyful, Difficult, Complicated."

Q: What has been your biggest accomplishment/favorite moment of the season?

A: "When I scored my very first goal on Varsity!"

Q: Are there any team traditions that you have enjoyed this season?

A: "One of the team traditions I have enjoyed this season is doing 'Big Sis/Little Sis' gifts before each game with the upperclassmen."
