

"My favorite thing about soccer is being able to play with the team. This is my first year playing but I enjoy it so much. Someone, I can always count on is Andy Wei, when the ball is far out he will always hustle to recover them. This season my favorite memory is watching our goal-keeper Nicolas Schnelle make a goal."

"This year my favorite part of the soccer season was playing in games; they are very fun and competitive. Liam Bennett is someone I can always count on when on the field."
