

# bump, set, spike, **win**

## *JV girls volleyball*

The Lady Aves JV Volleyball team is a group of hardworking, fun-loving girls. They are determined to win, and are willing to push each other to get there. Working together and keeping a good mindset are both crucial parts of what makes the girls successful.

**Reese Kuhlman, 10** says "I think my teammates excel at being positive.

They have so much energy and always try to lift each other up after a bad practice or game." Through highs and lows, the JV Girls Volleyball team will always support their teammates.

This amazing team dynamic has led them to a successful and memorable season.

"My favorite part about volleyball is that it will always put me in a good mood."

**Reese Kuhlman, 10**
