

## What's your favorite part of being on the team?

"My favorite part about the being on the team is the girls I am with. They are so supportive and we have such a strong bond. Everytime we are there to life eachotherother up and when we are feeling down, we give eachother a pep talk."

**Sonali Singla, 10**

## What s your favorite part of being on the Golf team?

"My favorite part about golf is the people. The girls are amazing and they make being on the course much better. It is so nice to be surrounded by such positive people while playing a game that has a huge mental aspect."

**Helen Moore, 10**

## What made you decide to play golf?

"I was first introduced to gold through my family who plays. I keep playing gold now because it's very rewarding and there is always something I can improve on. It's one of my favorite ways I get to glorify God."
