

the swing of things

boys golf

This season, the boys golf team took the course for the GMC championship in mid-September, and placed 4th overall. Read on for some interesting takes from members of the team.

COACH KNOWS BEST

Golf player John Vitullo, 10 answers a question about his experience on the team.

Q: What's your favorite piece of advice your coach has given you?

A: "Probably that golf is just a game of sportsmanship and putting a ball in a cup. It made me realize that without good sportsmanship, you're missing what golf is really about, which is not caring all about the game but helping your team and opponents. When you have that, putting the ball in the cup is the easiest part."
