freshman cheerleading

## WHO IS ONE CHEERLEADER THAT YOU LOOK UP TO AND WHY?

**Heidi Kremer, 9:** "One cheerleader that I look up to is Ella Wooley. She is a current Senior and is on Varsity for both football and basketball. She is an inspiration because she has a really good work ethic and always strives to do her best. She is a leader and an outstanding cheerleader. She always pushes people to do their best whether it is at practice or games. One day, I hope to be like her and be the exceptional person she is."

**Paige Wuebkenberg, 9:** "One cheerleader that I look up to is Lyla Zawatsky because she is very nice, fun to be around, and hardworking. Another cheerleader that I look up to is Ella Wooley because she is very dedicated to cheer and hardworking."

## HOW HAS YOUR FIRST YEAR OF HIGH SCHOOL CHEERLEADING COMPARED TO YOUR EXPECTATIONS?

**Addison Cox, 9:** "The season was pretty good and exceeded my expectations. The teams and coaches are very supportive and it is such a good community. The Varsity games are also a blast to go to and enjoy time with your friends while cheering our winning team on."

**Rileigh Ivory, 9:** "Last year, we had to have the coaches tell us everything, and everything just moved more slowly. This year (at the High School), we are much more independent, the communication is on point, and we are very into it. It is a lot of fun and we get to be more free as well."

**Kaili Holly, 9:** "Things were definitely more complex this year making it an adjustment, but I loved my teammates throughout the season and I will definitely do it again."
