

Heidi, congrats on your accolades so far & for future success in college!
Thanks from all you inspire! Love, Your family

Innately you embody this Einstein quote:

"There are 2 ways to live life. One is as though nothing is a miracle. The other is as though everything is a miracle. But without deeper reflection, one knows from daily life that one exists for other people; for those upon whose smiles & well-being our happiness depends & then for many unknown to use whose destinies we are bound...widening circles of compassion to embrace all living creatures & the whole of nature in its beauty."
