"The choices we make lead up to actual experiences. It is one thing to decide to climb a mountain. It is quite another to be on top of it."
-Herbert A. Simon

I have witnessed you overcome challenges your whole life. Starting with childhood milestones that you surpassed every time....to a move from a very small school to one 20 times its size....to working so hard in curriculum and sports that you excelled at everything you did.

After 17 years, and all of life's hardships that have tried to knock you down, you are STILL conquering. You are truly an impressive young woman.

I have no doubt that you will do wonderful things with your life. You are strong willed, motivated, self-disciplined, hardworking, kind, and absolutely beautiful.

I am so proud to be your mom. I love you.
