

Griffin & Tucker Ames

Griffin & Tucker,
You are so different from
each other and yet both
shining stars in your own
way! Even with your individ-
uality, you are both dynam-
ic, kind, creative, intelligent,
and adventurous young men!
Words cannot express how
proud we are of both of you.
As you embark upon a new
life adventure remember,
when life shuts a door, open
it again, it is a door, that is
how they work. The world is
your oyster.

Love you more,
Mama & Daddy
