

# inside scoop

Varsity and JV boys lacrosse

Jamie Lindemann, 10; Will Brock, 12

"The saying 'Hard work beats talent when talent doesn't work hard' means that even if someone is naturally gifted, they can still be outperformed by someone who puts in the effort and works hard. Despite not being the tallest or strongest on the team, the speaker knew that their dedication and perseverance would eventually provide them with an opportunity to demonstrate their abilities."
