Thirty minutes of lunch preceded Ignatz's chemistry, which was followed by Algebra II with Mr. Good. And Pelley's American Lit was a fine way to finish the day.

If variety is indeed the "spice of life," then the student body at SHS was a delightful potpourri. From Abbe to Zuckerman, 1988 included everyone from artists to zoologists. Sycamore High School offered academics for the mind, athletics for the body, and service organizations for the soul.

When they first asked us to write about the Class of 1988, we did not know where to begin. It was hard to condense four years of high school into one paragraph. There was so much . . . so many people and so many memories. Together we have grown; individually we have achieved. From rainy picnics and damp hayrides to football games and formals, we have played important roles in each others' lives. After graduation we face the future on our own, but we carry our high school years within our hearts forever! Thank you for four *great* years. We wish you all the best!

This past year in sports was both an exciting and a busy one. The school spent $50,000 on the athletic program, and for good reason — 500 boys and 300 girls participated on Aviator teams. Teachers, too, had an impressive participation record as almost half the staff took on coaching positions. Football brought in the most money, but all teams were widely supported.

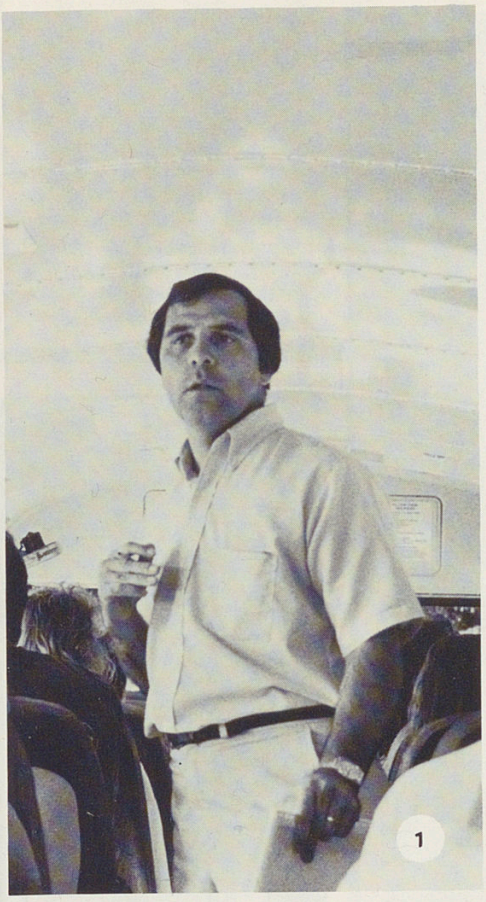
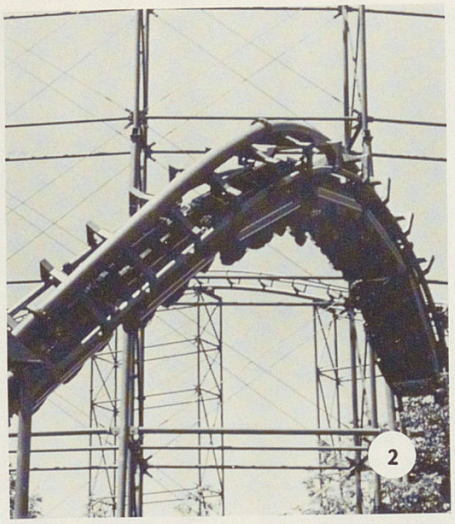
Physics Fun

On Friday, May 27, dozens of Sycamore seniors descended upon Kings Island. No, it wasn't senior skip day; these students, along with hundreds from area high schools, were participating in Physics Day at Kings Island. Armed with accelerometers and calculators, the students worked their way through 30 pages of physics questions pertaining to 13 rides and attractions. Luckily the day was warm and sunny, for one of the requirements was a very wet trip over the new Amazon Falls.





1. Mr. Pfirman boards his favorite ride . . . the bus. 2. Vortex question #4: "Your actual speed at the bottom of the lift hill is 26.9 m/s. With a record of 12 wins, 6 losses, and 6 ties after regular season play, no one could have predicted that this year's Lady Aves would win the sectional title, let alone earn the distinction of being the first Sycamore girls' team to take the district championship. Seven Hills, Purcell Marian, Mt. Notre Dame, and Walnut Hills were eliminated during sectional play, while Hamilton Badin succumbed to the Lady Aves at district.

Boys' CC

After a tough early season invitational schedule, steady improvement surfaced in the young, inexperienced boys' cross country squad. Seniors Pete Landversicht and Doug Adams were consistant top 5 performers. Juniors Dave Coutant, Mike Kurtz, and Matt Ensign added stability. Sophomores Steve Oughterson, Jim Paul, and Scott Apking showed promise for the future. The highlight of the season was the 8th place finish in the District when the Aviators defeated 6 teams which had beaten Sycamore earlier in the season.

J.V. Basketball

The junior varsity's season record of 5 wins and 15 losses did not tell the whole story of a team which played hard in most of the games, forcing opponents to give their all in order to beat SHS. The Aviators fought through three overtimes before finally losing to Glen Este by a basket, while the overtime contest with Anderson ended in a win for Sycamore.

Softball

This year was a tough one for Aviator softball; varsity finished with an 8-12 season, while the J.V. record was 5-10. J.V. coach Joe Villari felt that lack of hitting and erratic pitching made it difficult for his team to compete with some of its stronger opponents. M.V.P. Cindy Hankey distinguished herself by having 16 hits, scoring 11 times, and batting in 15 runs. Highlights of the varsity season included wins over Harrison and Mt. Healthy, two of the top 5 teams in the city. Senior Pennie Panaro was selected as the 1st Team All-Star shortstop in the EML.

Boys' Track

The boys' track team showed their dominence of the Eastern Metro League early in the season when they won the EML Relays on March 23. Sycamore sent two athletes to state competition — Glenn Terry and Jon Rowan. Terry was regional champ in both the 110m high hurdles and the 300m intermediate hurdles. Rowan qualified for state by placing 3rd in the discus. At state, Terry won both his events, setting a new record of 36.38 seconds in the intermediate hurdles. The 20 points he earned for Sycamore put the team in a tie for third place in Class AAA.
