

Life's real tests are about to happen, and it's how you think about life and its circumstances, as well as how you live it, that will have the greatest effect upon you.

Without a relationship with Jesus Christ, walking with Him on a day-to-day basis, you won't have the comfort, assurance, and peace of Him living within you to help you over the struggle that comes life's way. His Holy word says: "Without Him we are nothing." With Him all things are possible. So, receive Him into your heart so He can give you His power (John 1:12) to bless you, strengthen you, and sustain you.

Your spiritual advancement is based on how much you give up. He loves you where you are; but He loves you too much to leave you where you are. He will never leave you nor forsake you. (Heb. 13:5)

The way to be anxious about nothing is to be prayerful about everything!

You must control the flesh or the flesh will control you!

Love never calculates the cost, but gives its all!

Life is 10 % what happens to you and 90 % how you react to what happens to you.

You can depend upon Him in every case and in every situation when committed unto Him.

You never have a problem in life, you have a challenge.

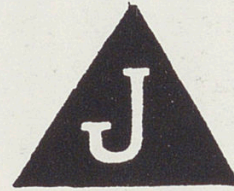

Never concentrate on the problem or circumstances, but on Him, the answer and the solution.

Circumstances won't make you or break you, they reveal you.

Never tell God how big your mountain is, but tell the mountain how big your God is!

This is some of life's truths and findings since I have graduated from high school. (John 3:30)
