

Homecoming

Homecoming of 1985 was an event that will kindle vivid memories for all those who were involved in the festivities. Over a three day span, Sycamore students enjoyed themselves, taking part in a bonfire, parade, Friday night's big Homecoming game, and Saturday night's dance. The Homecoming theme for 1985 was "New Year's Celebration." Dancing behind a backdrop of the New York skyline, students spent a night of fun and excitement. And what could Homecoming be without a king and queen. For 1985, Sycamore students chose Sean Callan as king and Paige Gibson as their queen. It was night which capped off an entertaining and ecstatic Homecoming Week for Sycamore. One which Sycamore students will look back on with fond remembrances of the nostalgia of youth.
